Section A

(30 Marks)

Answer all questions in this section.

Study the map below to answer question 1.

426

A011

1. (a) Identify the following:

(i) Environmental zone marked **X** (1)

(ii) Physical feature **Y** (1)

(iii) Tourist attraction feature **Z** (1)

(b) (i) What is the direction of Gaborone from feature **X**?

..... (1)

(ii) What is the vertical interval of physical feature **W**?

..... (1)

(c) Locate Gaborone using the lines of latitude and longitude.

..... (1)

(d) Explain any **two** ways in which the environmental zone **X** has influenced the traditional lifestyle of the people living in the area.

.....
.....
.....
.....
..... (4)

[Total: 10]

Read the passage below and answer question 2.

In some countries, water is plentiful and easy to obtain. There is enough potable water to drink, cook, bath, water gardens and even wash vehicles. In Botswana however, water is precious. It is scarce due to high temperatures, high rate of evaporation and other factors.

Adapted from Geography of Botswana

2. (a) Identify **two** uses of water mentioned in the passage that are restricted in Botswana.

.....
.....
..... (2)

- (b) Suggest any **two** ways by which individuals can address each of the water restrictions identified in 2 (a) above.

.....
.....
.....
..... (4)

- (c) Explain any **two** factors not mentioned in the passage that contribute to water scarcity in Botswana.

.....
.....
.....
.....
..... (4)

Section C

(20 Marks)

Answer **all** questions in this section.

Read the passage below to answer question 7.

In 1986 Reiphile, a student at Pula JSS carried out a study in Ketshotse village. The data from the study indicated that 55 people use water system toilets, while 295 use pit latrines and 25 use both systems.

7. (a) Suggest a possible title for Reiphile's study.

..... (1)

(b) State any **two** possible aims of the study.

.....
.....
..... (2)

(c) State any **two** methods of data collection that the researcher might have used in the study.

.....
.....
..... (2)

(d) State any **two** possible findings from the study.

.....
.....
..... (2)

(e) Explain any **one** possible purpose of Reiphile's study.

.....
.....
..... (2)

(f) Suggest any **two** possible recommendations from the study.

.....
.....
..... (2)

(g) Suggest **three** possible problems that Reiphile could have faced during the study.

.....
.....
.....
.....
..... (3)

(h) Present the data from the study in a bar graph.

(6)
